

GreenNcrease 6-0-0

GreenNcrease 6-0-0 was recently introduced by Ajinomoto USA, one of the leading Amino Acid manufacturers. It is a foliar Amino Acid Based Biostimulant. It contains amino acids and other phyto-positive organics for turf. It is derived from a unique corn fermentation process.

GreenNcrease contains over 18 amino acids proven to encourage plant defense mechanisms. It preconditions turf to withstand heat and draught environments.

University tests at Virginia Tech University resulted in higher levels of stress fighting antioxidants during periods of drought,. At Iowa State University GeeenNcrease applications resulted in statistically higher shoot density in creeping bentgrass compared to urea and other controls. The University of Nebraska tests showed that applications of GreenNcrease on perennial ryegrass increased the ability of the grass to withstand periods of stress from heat and drought conditions. Compared to other biostimulant products GreenNcrease kept the grass green longer

Application Instructions		
Application	Rate Per 1000sq.ft	Frequency
Creeping Bentgrass and Perennial ryegrass	14 ounces	Every 14 days
Can be applied with other products. A bucket test should be always be done first		

Guaranteed Analysis:

Total Nitrogen (N)6%
5.16% Ammoniacal Nitrogren
.84% Organic Nitrogen

Derived From: Corn fementation solubles containing amino acids

Benefits of Use:

Increases shoot density (thicker turf)
Increases Heat Stress Tolerance
Increases Stress Fighting Antioxidants
Improves Turf Quality

Problem Condition:

Thin turf
Turf that reacts poorly to heat stress
Turf that reacts poorly to drought

Physical Properties:
 Weight per gallon.....10.2#
 3.78 liters
 4.63 kg

Storage:
 Store between 41°F and 77°F, do not expose to direct sunlight for long periods of time. **AVOID FREEZING!**

Container Size:
 2.5 gallon (2 per 5 gallon case)

Caution: Keep out of reach of children. Harmful if swallowed. Avoid contact with eyes, skin and clothing. If on skin wash with soap and water. If in eyes, rinse repeat ably with water.
