

# IBA 17 (Indolebutyric Acid)

**IBA 17** is a naturally occurring plant growth promoter for lateral root promotion and bud initiation. IBA 17 contains a proprietary blend of Humic acids containing the Auxien Indolebutyric Acid (IBA) used to obtain optimum soil conditions in areas where poor root growth is a problem and the added **Humic Acid** acts as the carbon source to feed microbes. The overall effect is a lush healthier stand of turf, which can help the turf withstand more stressful environmental conditions, which can affect its performance and appearance. Also can be used in areas where heavy traffic has placed a stress on the condition of the turf. **IBA 17 will promote better healthier root growth and seed germination.**

Application Instructions		
Application	Rate Per 1000sq.ft	Frequency
All types of warm and cool season grasses	2 ounces	Apply every 14-21 days
House Plants & Gardens (Foliar spray)	1 Tablespoon per quart of water (Apply a light mist to leaves until point of runoff)	Apply as needed

To ensure compatibility with foreign products, a jar compatibility test is recommended. Always fill tank with water first, then add product while tank is circulating. NEVER MIX CONCENTRATES DIRECTLY TOGETHER

<p><b>Guaranteed Analysis:</b></p> <p>Indolebutyric Acid .....0.02% Humic Acid.....17.00%</p> <p><b>Derived From:</b> Humic Acid, Indolebutyric Acid</p> <p><b>Benefits of Use:</b> Increase root growth. Increases the germination capacity of seed. Immediately Available to the plant</p> <p><b>Problem Condition:</b> Poor nutrient retention in sandy soils Various environmental stresses</p>	<p><b>Physical Properties:</b> Weight per gallon.....8.93 lbs. Ph .....11.5</p> <p><b>Appearance and Odor:</b> Dark brown liquid, earthy odor.</p> <p><b>Storage:</b> Store between 41°F and 77°F, do not expose to direct sunlight for long periods of time. AVOID FREEZING!</p> <p><b>Container Size:</b> 2.5, 30, 55, 275 gal.</p> <p><b>Disclaimer:</b> It is not recommended to use this product with fungicides and pesticides, it's the users responsibility to conduct all trial test.</p> <p><b>Caution:</b> Keep out of reach of children. Harmful if swallowed. Avoid contact with eyes, skin and clothing. If on skin wash with soap and water. If in eyes, rinse repeat ably with water.</p>
