

Super Cal 8 6-0-0-8Ca

Super CAL 8 is critical in plant cell division and is regarded as one of the most needed elements. Foliar feeding a specially formulated liquid calcium concentrate is both the most effective and least expensive means of delivering an adequate supply of calcium to plants.

The ingredients in **Super Cal 8** are 100% water soluble and manufactured using an **ORGANIC** (sugar) based chelating agent . It is immediately available to the plant (via Foliar application) therefore making this product extremely efficient for the plant to pick up in situations where a rapid response is desired. **Super Cal 8** contains no EDTA chelates.

| Application Instructions | | |
|---|---|------------------------|
| Application | Rate Per 1000sq.ft | Frequency |
| All types of warm and cool season grasses | 3-6 ounces | Apply every 14-21 days |
| House Plants & Gardens (Foliar spray) | 1 Tablespoon per quart of water (Apply a light mist to leaves until point of runoff) | Apply as needed |

To ensure compatibility with foreign products, a jar compatibility test is recommended. Always fill tank with water first, then add product while tank is circulating. NEVER MIX CONCENTRATES DIRECTLY TOGETHER

Guaranteed Analysis:
 Nitrate Nitrogen.....6.00%
 Calcium (Ca).....8.00%

Derived From: Calcium glucoheptonate.

Benefits of Use:
 Increase stress tolerance
 Immediately Available to the plant

Problem Condition:
 Leaves are distorted and red at edges.
 Leaves may have thin yellow bands.
 Leaves may turn brown and die.

Disclaimer: It is not recommended to use this product with fungicides and pesticides, it's the users responsibility to conduct all trial test.

Physical Properties:
 Weight per gallon.....10.96 lbs.
 Ph7.0 - 7.5
 Each gallon contains..... 0.88 lbs Calcium
 0.66 lbs Nitrogen

Appearance and Odor: Dark brown/Red liquid, sweet odor.

Storage:
 Store between 41°F and 77°F, do not expose to direct sunlight for long periods of time. AVOID FREEZING!

Container Size:
 2.5, 30, 55, 275 gal.

Caution: Keep out of reach of children. Harmful if swallowed. Avoid contact with eyes, skin and clothing. If on skin wash with soap and water. If in eyes, rinse repeat ably with water.
