TriSert 28-0-0 SR

CYCLE WORKS

TriSert 28-0-0, (urea-triazone and urea solution) Trisert contains 70% quick release nitrogen and 30 % slow release nitrogen derived from urea-triazone, Trisert is a high nitrogen liquid source that delivers a quick release of nitrogen to start growth and also contain just enough slow release nitrogen so that quick spike in growth does not drastically drop between applications. It can be applied as a foliar spray application on all crops to enhance growth and quality, supply needed nitrogen (N) and correct nitrogen deficiencies. TriSert may also be soil applied as a band and side dress application and injected through the irrigation system: drip, sprinkler or center pivot.

Application Instructions		
Application	Rate Per 1000sq.ft	Frequency
All types of warm and cool season grasses	3-8 ounces	Apply every 14-21 days
House Plants & Gardens (Foliar spray)	1 Tablespoon per quart of water (Apply a light mist to leaves until point of runoff)	Apply as needed

To ensure compatibility with foreign products, a jar compatibility test is recommended. Always fill tank with water first, then add product while tank is circulating. NEVER MIX CONCENTRATES DIRECTLY TOGETHER

Guaranteed Analysis:
Total Nitrogen……..……....28.00%
19.5% Urea Nitrogen
8.5% Slow Release Nitrogen
Phosphate (P_2O_5)…….……..…….0.00%
Potassium (K2O)……....…..…....0.00%
Chlorine, not more than ……..…….. 1.00%

Derived From: 30% Slowly available nitrogen from urea-triazone solution Derived from urea-triazone solution

Benefits of Use:
Increase turf vigor
Immediately Available to the plant
Slow release nitrogen

Problem Condition:
Lack of growth
Lack of color

Disclaimer: It is not recommended to use this product with fungicides and pesticides, it's the users responsibility to conduct all trial test.

Physical Properties:
Weight per gallon……...10.72 lbs.
Ph ……...7 - 7.5
Each gallon contains….. 3.00 lbs Nitrogen
0.00 lbs Phosphorus
0.00 lbs Potash

Appearance and Odor: cocoa brown liquid, sweet seaweed / fish / earthy odor.

Storage:
Store between 41°F and 77°F, do not expose to direct sunlight for long periods of time. AVOID FREEZING!

Container Size:
2.5, 30, 55, 275 gal.

Caution: Keep out of reach of children. Harmful if swallowed. Avoid contact with eyes, skin and clothing. If on skin wash with soap and water. If in eyes, rinse repeat ably with water.
